

AAT Level 2 Certificate in Accounting

Ofsted Outstanding Provider

Course Level: Level 2

Campus: Newcastle

Subject Type: Accounting, Business, Travel & Legal

Course Overview:

Begin your career in professional accounting by studying this Level 2 course. You'll develop a strong understanding of finance administration and build the essential accounting skills needed to progress in the industry.

Throughout the course, you'll explore key areas including double-entry bookkeeping, basic costing, and payables and receivables ledgers. You'll also gain practical skills in preparing accounts and journals, as well as using bookkeeping and banking systems.

Whether you're looking to begin your accounting career or build on your existing skills, this course provides a solid foundation for your next step in the profession.

What's Covered:

The AAT Level 2 qualification is one of the most common starting points traditionally for those who are working, or aim to work, in an accounting role in practice or industry.

Students will also learn about accountancy related business and personal skills and be introduced to the four key themes embedded in the qualification: ethics, technology, communications and sustainability.

You can choose whether to study in the evening or during the day.

You'll be taught by our qualified and skilled staff who will share their industrial knowledge and experience to you.

Entry Requirements:

You will need a good level of English and Maths to study this course. If you do not have a grade C / 4 or above, equivalent qualifications may be considered and there are exemptions for further applicants with relevant workplace experience.

Assessment Information:

The course is assessed by end of module computer-based exams. You will require a minimum of 70% to pass each module.

Fees and Financial Support:

Courses with a duration over 12 weeks and costing in excess of £150 (including exam fees) can be paid for in instalments over the duration of the course or one year (whichever is shorter). While the College can not guarantee this arrangement in every case, we will do our best to accommodate requests to pay by instalments. In order to pay by instalments you must come into the college, we cannot take payment online.

Depending on your personal circumstances, you could be eligible for financial support towards the tuition fee. For more information visit nscg.ac.uk/financialsupport

Please note this course requires compulsory purchase of level 2 Registration directly from AAT by you (approximate cost £190) this is not covered by the college.

Progression:

You can progress on to the AAT Diploma in Accounting Level 3 course at the college, if you secure employment in the field of Accounting or Finance.

What else do I need to know?

This is an excellent starting point for anyone wanting to start a career in accounting or someone who works in the field but has not got any formal qualifications yet.

This course runs flexibly and there are a number of start dates throughout the year.
