

Certificate in the Principles of Cyber Security

Course Level: Level 2

Campus: Newcastle

Subject Type: Accounting, Business, Esports, Computing & Travel

Course Overview:

The purpose of the Level 2 Certificate in Cyber Security is to provide learners with sector awareness. It will do this by introducing the knowledge and understanding in roles and issues relating to Cyber Security.

What's Covered:

The purpose of the Level 2 Certificate in Cyber Security is to provide learners with sector awareness. It will do this by introducing the knowledge and understanding in roles and issues relating to Cyber Security.

Entry Requirements:

Learners must be aged 16 or above. There are no specific entry requirements for the qualification, however a Level 1 and/or interest in IT would be advantageous.

Assessment Information:

This is a competency and knowledge based qualification which is internally assessed and externally quality assured through a range of online activities that you will be supported with by our curriculum team.

Fees and Financial Support:

Courses with a duration over 12 weeks and costing in excess of £150 (including exam fees) can be paid for in instalments over the duration of the course or one year (whichever is shorter). While the College can not guarantee this arrangement in every case, we will do our best to accommodate requests to pay by instalments. In order to pay by instalments you must come into the college, we cannot take payment online.

For further information on funding, please email charlotte.robertson@nscg.ac.uk

Progression:

On completion of this course, you could progress onto a Level 3 course.

What else do I need to know?

Learners for this qualification will be looking to gain a greater understanding or to build upon their existing knowledge of Cyber Security issues.

How do I find out more?
