Course Overview:

The part time HNC in Leadership and Management provides students with the knowledge and skills needed to excel in leadership roles across various industries. With a focus on practical application, students learn about effective communication, problem-solving and decision-making in a management context.

Through hands-on projects and industry-relevant assessments, graduates are prepared to lead teams, implement strategic initiatives, and drive organisational change in today's dynamic business world.

What's Covered:

Would you like to develop your management skills? Do you see yourself as a leader of the future? This brand new HNC in Leadership and Management will run in collaboration with the Stoke-on-Trent & Staffordshire Institute of Technology (SoTioT).

The course will help you to develop as a professional, self-reflecting individual in Leadership and Management and give you the skills to adapt to a constantly changing business world. The qualification offers a nationally-recognised, higher-education qualification and the chance to enhance your career prospects. This is an ideal course for those who are looking to add to their CV, develop or change their career.

During your studies, you will have the opportunity to build a solid foundation in business and develop transferable skills such as communication, teamwork and problem solving techniques. We will help you to enhance your skills and experiences to achieve high performance in the world of business, develop leadership and management skills and understand the major impacts of technology on businesses. Our industry-trained tutors will guide and support you to not only develop your academic ambitions, but also help you to upskill and enhance your CV for future career development.

The aims of the Pearson BTEC Higher Nationals in Leadership and Management are:
