

AAT Level 2 Certificate in Accounting

Ofsted Outstanding Provider

Course Level: Level 2

Campus: Stafford

Subject Type: Accounting, Business, Travel & Legal

Course Overview:

Begin your career into professional accounting by studying this Level 2 course. Explore the foundations of finance administration and the core accounting skills needed to climb the career ladder, including double-entry bookkeeping, basic costing, and sales and purchase ledgers. Learn how to control accounts, journals, bookkeeping and banking systems.

What's Covered:

The AAT Level 2 qualification is one of the most common starting points traditionally for those who are working, or aim to work, in an accounting role in practice or industry.

If you do not wish to take the full Level 2 AAT qualification, you can complete just the bookkeeping and/or computerised accounting modules and achieve the Level 2 Certificate in Bookkeeping and/or the Level 2 Award in Computerised Accounting. You can choose whether to study in the evening or during the day.

Students will also learn about accountancy related business and personal skills and be introduced to the four key themes embedded in the qualification: ethics, technology, communications and sustainability.

You'll be taught by our qualified and skilled staff who will share their industrial knowledge and experience to you. AAT modules assessed by computer-based exams. You will require 70% marks to pass each module. There is only one re-sit for each module.

Entry Requirements:

You will need four GCSEs graded between 4-9; including English Language and Maths to study this course. Other equivalent qualifications may be considered and there are exemptions for further applicants with relevant workplace experience.

Assessment Information:

The course is assessed by end of module online exams as set by the AAT. Please note that AAT modules are assessed by computer-based exams. You will require 70% marks to pass each module. There is only one re-sit for each module.

Fees and Financial Support:

Courses with a duration over 12 weeks and costing in excess of £150 (including exam fees) can be paid for in instalments over the duration of the course or one year (whichever is shorter). While the College can not guarantee this arrangement in every case, we will do our best to accommodate requests to pay by instalments. In order to pay by instalments you must come into the college, we cannot take payment online.

Depending on your personal circumstances, you could be eligible for financial support. For more information visit nscg.ac.uk/financialsupport

Progression:

You can progress on to the AAT Diploma in Accounting Level 3 course at the college. You may start a job in the field of Accounting or start as a trainee accountant.

What else do I need to know?

This is an excellent starting point for anyone wanting to start a career in accounting or someone who works in the field but has not got any formal qualifications yet.

This course runs flexibly and there are a number of start dates throughout the year.
