

18th Edition Award in the Requirements for Electrical Installations BS 7671:2018

Ofsted Outstanding Provider

Course Level: Level 3 | **Campus: Stafford** | **Subject Type: Construction & Engineering**

Course Overview:

Study the 18th Edition Award to get up to speed with current regulations within the electrical industry. This industry required qualification is aimed at practising electricians with relevant experience and other allied professionals such as surveyors, consultants and other trades needing to update and enhance their understanding of IET Wiring Regulations. It is also suitable for anyone wishing to demonstrate an understanding of the IET 18th Edition Wiring Regulations (BS 7671).

What's Covered:

The 18th Edition is the term commonly used in the industry when referring to the latest British Standards BS 7671:2018 Requirements for Electrical Installations, IET Wiring Regulations. This award will give learners an understanding of the application of the Eighteenth Edition (AMD 3).

It provides a facility for individuals working in the electrotechnical sector to develop and/or enhance their knowledge of the Requirements for Electrical Installation.

Entry Requirements:

There are no formal entry requirements for this qualification.

Fees and Financial Support:

If you are on state benefits or are on a low income you may be entitled to fee remission towards your course. *This is at the Colleges discretion.
