

Italian Improvers

Course Level: Adult Leisure

Campus: Newcastle

Subject Type: English & Languages

Course Overview:

Have you already learn the basics of Italian? Progress and develop your language skills with our Italian Improvers course which will help you to build on your oral, speaking and written Italian language skills.

What's Covered:

This course is ideal for learners who have attended a beginners level course or whose knowledge of Italian is basic and are interested in developing it a step further.

A 'basic' knowledge implies being able, for example, to make and answer simple enquiries about personal information, to understand/use numbers and some key grammar points - which, however, will be revised at the start of the course. Some of these items of vocabulary, grammar and culture will then be expanded, and others will be added (for example, talking about daily routine, hobbies, the weather, and more).

Entry Requirements:

Suitable if you have never studied the particular language before and/or have no experience at all of foreign language study.
