

T Level in Marketing

Course Level: Level 3

Campus: Stafford

Subject Type: Accounting, Business, Esports, Computing & Travel

Course Overview:

If you are interested in a career in marketing, this cutting-edge course provides you with a comprehensive understanding of marketing principles, digital strategies, and consumer behaviour. Combining classroom learning with an extended industry placement, you'll gain practical experience and valuable insights into real-world marketing challenges. Whether you're planning to enter the workforce or pursue higher education, this T-level equips you with the skills and knowledge to excel in the fast-paced marketing sector.

What's Covered:

The BRAND NEW T Level in Marketing will allow you to gain an understanding of the knowledge and key transferable skills needed to work in a marketing role in a diverse range of skills. You will develop a wide-range of skills through concepts, theories and principles across areas such as; advertising, branding, communications, content management, digital marketing and social media.

During this 2-year course, you will develop an understanding of a broad range of issues relevant to the sector, through studying units including:

- The purpose of marketing, how it adds value to an organisation including leadership, culture and vision and the impact of no marketing activity.
- The role of marketing including marketing as a management process, its importance, market type and reach.
- The key differences between consumers and customers and the different ways to influence them
- Routes to market including the role of suppliers and procurement: business to business (B2B), business to consumer (B2C) and other channels, and how this influences marketing activity
- Customer personas and how they are used to determine marketing campaigns
- Types of customers and consumers and what influences their behaviours
- Organisational purpose and business aims including for profit and not for profit marketing objectives
- The marketing and extended promotional mix (advertising, personal selling, sales promotion, public relations and direct marketing) including the differences between the channels and the benefits of a coordinated marketing mix.

Entry Requirements:

At least five GCSEs at Grade 5 or above all from the core subjects, including English and Maths

Assessment Information:

Students will spend 80% of the course within a classroom environment and will be required to undertake the remaining 20% within an extended industry work placement.

You will be assessed through a combination of external assessments, coursework, work based observations and an employer project. In addition to an industry placement of the 2 years (block
