

AAT Certificate in Accounting

Ofsted Outstanding Provider

Course Level: Level 2

Campus: Stafford

Subject Type: Accounting, Business, Travel & Legal

Course Overview:

Dive into financial accounting principles, management accounting techniques and master the intricacies of computerised accounting systems. Explore payroll procedures, gain insights into business law and hone essential business skills. Prepare yourself for a dynamic career in finance and equip yourself with the knowledge and expertise to thrive in diverse business environments.

What's Covered:

The aim of the course is to offer you the opportunity to gain the skills demanded by employers in accounting and finance, whilst achieving an internationally recognised qualification that could ultimately lead to the full AAT (Association of Accounting Technicians) Accounting Qualification and full AAT membership.

You will attend the College on a full-time basis over one year. There will also be study time to enable you to consolidate the work carried out in lectures.

All units are mandatory and the subjects include:

- Financial Accounting
- Management Accounting
- Computerised Accounting
- Payroll
- Business Law
- Business Skills

Top FE College

Expert Teaching

Entry Requirements:

You will need four GCSEs graded between 4-9; including English Language and Maths to study this course. Other equivalent qualifications may be considered.

Assessment Information:

You are assessed against the standards of competence laid down by the AAT, you will need to achieve a minimum of 70% in all of the computer-based assessments.

You learn through experiencing a varied programme which includes activities, solving simulated problems, lectures, group work, discussions and attempting past examinations. You will also be required to study away from lectures to ensure exam success. To help you there is a course team of friendly, approachable tutors committed to your success who will encourage you to use the College's extensive resources including computer facilities, library, private study area and careers and counselling service.

Fees and Financial Support:

This course is free for anyone aged 16 – 18.

College Maintenance Allowance (CMA):
Anyone with a gross household income under £35,000 can receive financial support to cover

college related costs such as transport, meals, course equipment and uniform. Bursary support is based on individual circumstances and will be allocated to best suit your individual needs. A range of other financial support is available depending on your personal circumstances. For more details visit nscg.ac.uk/finance

Progression:

Successful completion of the Level 2 Diploma results in the award of an externally recognised professional qualification and entitles you to progress to further accounting qualifications.After successful completion of the Level 2 Diploma many students progress to our AAT Level 3 Diploma in Accounting, often as part of an apprenticeship programme. Alternative Level 3 qualifications in business and associated areas are also possible.
