

Level 3 Diploma in Beauty Therapy Treatments

Ofsted Outstanding Provider

Course Level: Level 3

Campus: Stafford

Subject Type: Hairdressing, Beauty & Media Make-Up

Course Overview:

If you have a passion for making people feel their best, this nationally recognised professional qualification will equip you with the skills and knowledge needed to work within the beauty and holistic therapy industry.

What's Covered:

The programme involves study consisting of specialist units including Body Massage, Specialised Electrical Facial and Body Treatments, Indian Head, Nail Enhancements and Hot Stones.

You will also develop a sound knowledge of how to monitor and maintain health and safety practices in a salon environment, how to promote client care and communications in beauty related industries, how to maintain personal health and wellbeing as well as exploring the origins of massage and the principles of complementary and alternative medicine.

This qualification would enhance and compliment techniques required by individuals seeking employment in this profession. You will also incorporate an industry placement and a range of work related activities to ensure that you have the breadth of skills required to progress to further/higher education, employment or an apprenticeship.

100%

Pass rate

Expert Teaching

Entry Requirements:

You will need a minimum of four or more high grades at GCSE in subjects relevant to the course you'd like to study, including maths and/or English Language at grade 4 or above. In addition, you'll need a Level 2 Diploma in Beauty Therapy. Your entry requirements will be discussed with you at interview.

Assessment Information:

You are continually assessed throughout the course by building your portfolio of work, which contains evidence of your competence in each of the practical and related skills. You will also be required to pass external online tests.

Fees and Financial Support:

This course is free for anyone aged 17-18.

College Maintenance Allowance (CMA):

Anyone with a gross household income under £35,000 can receive financial support to cover college related costs such as transport, meals, course equipment and uniform. Bursary support is based on individual circumstances and will be allocated to best suit your individual needs. A range of other financial support is available depending on your personal circumstances. For more details visit nscg.ac.uk/finance

For learners aged 19 and over

, you will be required to apply for the gov.co.uk learner loan to cover your course fees.

Progression:

Completion of this course leads to career prospects in the beauty & spa industry and also enables you to progress to higher education, if you so wish. Some of our students have progressed to University to study Aesthetics.
