Roles also support individuals with making personal goals that enable them to be in control of what happens to them but in a safe person centred manner appropriate to their needs.

Entry Requirements

To be able to join the programme a work placement will need to be secured and the apprentices are to have a clear DBS (Enhanced Disclosure and Barring Service) prior to starting.

Assessment Information

Your progress is monitored and assessments are arranged throughout the course. Assessment has three aspects which include observation of your actual performance and testing of your knowledge and understanding and assessment of behaviours identified in the standard.

A range of methods will be used including observations, professional discussions, written and oral questioning and assignments.

If you do not hold a suitable maths, English or IT qualification you will need to pass the Functional Skills exam at level 1

This qualification also has an End Point Assessment which includes:

Situational judgement test. This is answered through a multiple choice exercise.

Professional Discussion. All knowledge and behaviours will be assessed using a wide range of evidence sources including the self-assessment and testimonies from people who use services.

Fees and Financial Support

While you are on an apprenticeship your employer pays you a salary and supports you whilst you undertake your training

Progression
