

BTEC Level 1 Progression Pathway

Course Level: Level 1

Campus: Stafford

Subject Type: Science & Maths

Course Overview:

Tailored for individuals eager to advance their skills, this program offers a stepping stone to further education or employment. Through a combination of classroom learning and practical application, you will develop a diverse skill set relevant to your chosen field. Join us and take the first step towards achieving your academic and career aspirations.

What's Covered:

Our outstanding department work to the highest standards of teaching with excellent support and care, helping learners build their confidence in order to further progress their academic ability and independence in adult life.

Our courses serve as a stepping-stone to course specific pathways at college in various vocational areas or even employment. On our courses, learners will develop Maths and English skills and will be required to complete these whilst gaining a qualification. Learners will also develop life skills in a supportive environment and improve their social skills and ability to work with others.

Entry Requirements:

You will have two GCSEs at grade 2 or below. However, if you have a keen interest in the subject and commitment to succeed, your entry requirements will be discussed at interview.

Assessment Information:

We complete 3 main phases on our Level 1 Progression Pathway.

Phase 1 - Initial assessment, Organisation, Assignment writing, Citizenship, IT and Research skills, Enrichment and beyond the classroom.

Phase 2 - Vocational assessment period (2 core and a choice of units)

Phase 3 - Progression Pathways - Identification phase and preparation for next level. Grofar, Unifrog, Springpod, WEX, career classes, taster sessions.

Throughout all 3 phases- Contextualised Maths and English (Functional skills or GCSE)

Fees and Financial Support:

This course is free for anyone aged 16 – 18.

College Maintenance Allowance (CMA)

: Anyone with a gross household income under £30,000 can receive financial support to cover college related costs such as transport, meals, course equipment and uniform. Bursary support is based on individual circumstances and will be allocated to best suit your individual needs.

A range of other financial support is available depending on your personal circumstances. [For more details visit nscg.ac.uk/finance](https://www.nscg.ac.uk/finance)

Progression:

Having successfully completed this course you could progress to a Level 2 qualification or you may decide to go on to do other further education courses or the world of employment.
