

BTEC Entry 3 Certificate

Ofsted Outstanding Provider

Course Level: Entry Level | **Campus: Stafford** | **Subject Type: Science & Maths**

Course Overview:

Unlock the gateway to further education with our BTEC Entry 3 Certificate in Foundation Studies. This comprehensive program lays the groundwork for academic success, focusing on essential skills in literacy, numeracy, and communication. You will develop the confidence and competence needed to excel in the future. Apply today to start building a solid foundation for your further education.

What's Covered:

Our outstanding department work to the highest standards of teaching with excellent support and care, helping learners build their confidence in order to further progress there academic ability and independence in adult life.

Our courses serve as a stepping-stone to course specific pathways at college in various vocational areas or even employment. On our courses, learners will develop Maths and English skills and will be required to complete these whilst gaining a qualification. Learners will also develop life skills in a supportive environment and improve their social skills and ability to work with others.

Entry Requirements:

This programme has no formal entry requirements but you should be able to work at Entry Level 3 and meet college demands and standards of learning.

Assessment Information:

Alongside the development of your English and Maths, we complete 3 main phases on our Entry 3 Foundation Course.

Phase 1 - Initial assessment, Student welfare, Mind-set, Teambuilding, Assignment guidance, Organisation and Enrichment.

Phase 2 - Vocational assessment period (2 core and then choice of units)

Phase 3 - Next steps - Preparation for Level 1, Employment support and career guidance.

Fees and Financial Support:

This course is free for anyone aged 16 – 18.

College Maintenance Allowance (CMA):

Anyone with a gross household income under £35,000 can receive financial support to cover college related costs such as transport, meals, course equipment and uniform. Bursary support is based on individual circumstances and will be allocated to best suit your individual needs. A range of other financial support is available depending on your personal circumstances. For more details visit nscg.ac.uk/finance

Progression:

Students who compete this course commonly move onto the level 1 Progression Pathways course, or employment.
