

Level 2 Certificate in the Principles of Working with Individuals with Learning Disabilities (Online)

Ofsted Outstanding Provider

Course Level: Level 2

Campus: Newcastle

Subject Type: Care, Education, Nursing & Midwifery

Course Overview:

Would you like to learn ways of working with individuals with learning disabilities? If you're working in the health and social care sector or care for an individual, then this course will give an overall understanding of the principles of working with learning disabilities.

What's Covered:

This course will give an overall understanding of the principles of working with learning disabilities.

To be awarded this qualification, learners are required to successfully complete 6 mandatory units:

- Understand the context of supporting individuals with learning disabilities
- Principles of safeguarding and protection in health and social care
- Introduction to personalisation in social care
- Principles of positive risk taking for individuals with disabilities
- Introductory awareness of autistic spectrum conditions
- Principles of supporting individuals with a learning disability to access healthcare

Entry Requirements:

There are no formal entry requirements for this course, however you should have a good level of reading and writing skills.

Assessment Information:

This is an online learning course and will require the learner to commit to self study hours in order to complete the assessments.

Each learner will be assessed via interactive online resources and end of unit assessment questions. . Assessments must be completed in the agreed timescale and submitted to the assessor who will then provide feedback, advice and guidance, and, additional support where needed.

Fees and Financial Support:

This course is FREE to adult learners aged 19+ who have been a UK/EU Resident for 3 years or more.

Progression:

There are further Level 2 certificates that you may progress to, which include: mental health problems, dementia care, and infection control, care planning, autism, common health conditions, equality and diversity, nutrition, safeguarding. Also you may progress to a Level 2 or 3 Diploma in Adult Health and Social Care or progress on to an apprenticeship within the sector.
