

Intermediate Skills Carpentry and Joinery

Ofsted Outstanding Provider

Course Level: Adult Leisure | **Campus: Newcastle** | **Subject Type: Construction & Engineering**

Course Overview:

This course introduces the basics of Carpentry and Joinery, focusing on Practical Skills and Safety. You'll learn the tools, techniques, and materials used in construction and furniture making. The goal is to build a solid understanding of both fields, making it suitable for beginners or those looking to expand their skills.

What's Covered:

This course is designed to give you the knowledge to develop practical skills in Carpentry and Joinery. You will learn the Practical side of the industry in small class sizes taught by our industry-trained tutors. You will also have access to our modern workshops for hands-on practice, following demonstrations by our tutors.

Entry Requirements:

There are no entry requirements.

Fees and Financial Support:

This course is FREE to adult learners aged 19+. With a £30 materials contribution which must be paid on enrolment.

Progression:

You could progress onto a higher level course in the future. The DIY/Handyperson course follows on from this and will further your knowledge, you can adapt knowledge this to start your own home projects.
