Course Overview:

Discover the art of hairdressing with our Level 1 Diploma Introduction to Hair & Beauty Sector. Delve into fundamental concepts and techniques in hairstyling, cutting, and coloring and gain hands-on experience through practical sessions and theoretical learning. This comprehensive program prepares you for entry-level positions in the hairdressing industry or further training. Apply now and unleash your creativity in this dynamic and exciting field.

What's Covered:

The aim of this course is to provide a programme of training leading to a qualification recognised within the hairdressing industry. This qualification will introduce you to the techniques required by individuals seeking to begin their career in hairdressing.

The programme involves a study of units including: professional image, working in the industry, blow drying, setting, colouring, basic cutting techniques, styling women's hair, health & safety and temporary colour.

The course runs for three days per week over a one year period for 16-18 year olds.

You learn by carrying out services designed to enable you to show competence working on clients. There are also some written assignments.

As part of your study programme you will complete maths and/or English qualifications if you have not already achieved a grade 4 or above.

The study programme will also incorporate work experience and a range of work related activities to ensure that you have the breadth of skills required to progress to further training on Level 2 or an apprenticeship.

Entry Requirements:

You will need 2 GCSEs at grade 3 . However, if you have a keen interest in the subject and commitment to succeed, your entry requirements will be discussed at interview.

Assessment Information:

You are continually assessed throughout the course by building your portfolio of work, assignments and practical assessments are observed by your assessor on a selection of clients.

Fees and Financial Support:

This course is free for anyone aged 16 – 18.

College Maintenance Allowance (CMA):

Anyone with a gross household income under £30,000 can receive financial support to cover college related costs such as transport, meals, course equipment and uniform. Bursary support is based on individual circumstances and will be allocated to best suit your individual needs. A range
