What's Covered:

The BTEC Level 2 Certificate in Travel and Tourism is a qualification that provides learners with a fundamental knowledge and understanding of the Travel and Tourism industry. This industry is one of the most important contributors to the UK economy and an exciting sector to work in. You will learn about the theoretical concepts used in the industry and the practical knowledge needed to gain experience of the many different job roles available. All Level 2 Extended Certificates are work-related qualifications, designed to offer you a choice of routes into Level 3 programmes and employment, and you will be graded with either a pass, merit or distinction grade for each unit of study.

You will attend college full-time for one year and your timetable will include independent study time to help you complete the work set in class. You will also need to work in your own time in order to achieve the higher merit/distinction grades.

You will continue to improve your English and/or Maths skills in structured lessons, alongside the course, as part of your study programme. If you plan to progress to a Level 3 course you will need to demonstrate a satisfactory level of improvement in English and/or Maths by the end of the year.

On the course you study Core Units to include:
