

Level 2 Award in Hybrid and Electric Vehicle Operation & Maintenance

Course Level: Level 2

Campus: Stafford

Subject Type: Motor Vehicle & Hybrid Technology

Course Overview:

This qualification is perfect for technicians who need to develop enhanced safety skills to ensure safe working in or near high voltage vehicles.

What's Covered:

This course is suitable not only for automotive technicians but also, for example, emergency services staff.

Units include:

- hybrid system components and operation
- how to work safely on hybrid and related vehicle systems.
- how to work safely around electric vehicles.

Entry Requirements:

Please call [01785 223 800](tel:01785223800) to discuss specific entry requirements or email ge2admin@nscg.ac.uk

Fees and Financial Support:

Newcastle and Stafford Colleges Group is pleased to be able to offer financial support to help students meet the costs of attending College. If you are on state benefits or are on a low income you may be entitled to fee remission towards your course.

*This is at the Colleges discretion. If you have any queries with regards to the funding of your course, please contact Charlotte Robertson on 01782 254141 or email charlotte.robertson@nscg.ac.uk.

How do I find out more?
