

# T Level in Business Management and Administration

Course Level: Level 3

Campus: Stafford

Subject Type: Accounting, Business, Travel & Legal

## Course Overview:

Dive into the world of business with our T Level in Business and Administration.

Explore topics such as finance, marketing, and strategic management and leverage our industry partnerships to secure enriching work placements - helping you professionally grow and providing exciting networking opportunities. Prepare to excel in diverse roles, designed to equip you with the practical skills and theoretical understanding to kick-start your journey towards a rewarding career.

## What's Covered:

The T-Level in Business Management is an exciting new 2-year programme developed in collaboration with employers and businesses. The content of the course meets the needs of industry and prepares you for work. This programme is the equivalent of 3 A Levels and mixes classroom learning with 'on-the-job' experience in a high quality industrial placement for a minimum of 315 hours. You will complete the course with a technical qualification, setting you up for the world of work. The core content focuses on the knowledge and understanding of business concepts and theories, supporting you to gain the transferable and core skills you will require within the business and management sector.

You will cover key areas including the essentials of business organisation, governance, cultures and values; change management; communication standards and professional audience; quality and compliance; while you will also be able to specialise in team leadership/management.

Students selecting this pathway aspire to gain a career in small, medium or large sized businesses ranging in roles from administration, management, enterprise and quality. The Business Management and Administration T Level pathway provides a mixture of:

- Technical knowledge and skills specific to the business sector
- An industry placement of 315 hours in the digital sector

Applying and accepting the offer on this course will require a commitment to undertake an industry placement. NSCG work closely with a range of companies who are committed to providing an industry placement. Students will be offered a placement following a successful interview with an employer.

## Entry Requirements:

You will need a minimum of 5 GCSEs at Grade 5 or above, including Maths and English. You will also need to attend an interview.

T-Level programmes follow GCSEs and are a qualification for students aged 16-18 at the start of the course. Our T Levels are not available to adults at this time.

## Assessment Information:

The City and Guilds T-Level in Management and Administration core content is assessed through an examination and a substantial practical employer-set project. The occupational specialism is assessed synoptically through rigorous practical assessments.

**100%**  
pass rate
