

# Recreational Ceramics

**Course Level: Adult Leisure**

**Campus: Newcastle**

**Subject Type: Creative Arts, Film & Media**

## Course Overview:

Explore your creative side and discover a new-found skill on this 6-week recreational ceramics course aimed at adult learners. Study alongside like-minded adults to learn and develop the basics of ceramic making skills, and how to work with clay and glaze.

## What's Covered:

The 6-week recreational course is perfect for beginners and for those who have some experience in ceramics and now want to develop upon their existing skills.

This adult course serves two functions: to enable experienced makers to develop their practice; and to offer introductory skills to adults who want to try their hand at something creative and new.

You'll be introduced to hand-building techniques, surface decoration and learning the use of appropriate glazes in a relaxed and informal setting. You will be able to work at your own pace and encouraged to work on individual projects of your own design.

## Entry Requirements:

There are no formal entry requirements for this course. A keen interest in creativity and design is all that you require. It is ideal for those who are complete beginners as well as more experienced ceramicists who wish to work more independently.

## Assessment Information:

The course is assessed by one to one feedback in class, on an ongoing basis as required. There is no formal examination or written work expected on this recreational course.

## Fees and Financial Support:

If you are on state benefits or are on a low income you may be entitled to fee remission towards your course. \*This is at the Colleges discretion. If you have any queries with regards to the funding of your course, please contact Charlotte Robertson on 01782 254141 or email [charlotte.robertson@nscg.ac.uk](mailto:charlotte.robertson@nscg.ac.uk).

For further information, visit [nscg.ac.uk/Finance](https://nscg.ac.uk/Finance)

## Progression:

Upon completion, you may wish to apply for the next cohort but work on your own ceramic practice in the workshop.

## What else do I need to know?

Please note that courses run subject to minimum viable class sizes. All course and fee information was correct at the time of publication, but may be subject to change. There may be additional costs for materials, which will be assessed on an individual basis, depending on usage.

After application, you will be asked to pay for this course over the phone.

## How do I find out more?

If you would like more information, please contact the Faculty Administrator by emailing [alex.condliffe@nscg.ac.uk](mailto:alex.condliffe@nscg.ac.uk)
