

UK Shared Prosperity Fund: Level 4 Digital Cameras & Communication - HTQ

Course Level: Level 4

Campus: Stafford

Subject Type: Creative Arts, Film & Media

Course Overview:

This BRAND NEW Level 4 short course is a technical introduction into still image making, cinematography and visual communication / storytelling techniques, to help you find your companies' individual voice and get your target audience invested and immersed in the communications you create.

What's Covered:

This 10 week evening course is aimed at adult creatives who are working in this sector and are looking to increase their knowledge in skills in building content for social media channels.

Entry Requirements:

There are formal entry requirements although adult learners need to be working a relevant role.

Assessment Information:

There are no formal assessments however you will be given specialist 1- feedback and guidance throughout the programme.

Fees and Financial Support:

This course is FREE to adult learners aged 19+.

Progression:

You may wish to apply to our HNC in Digital Content Creation at Stafford, a course designed to help creatives develop the skill sets needed to develop exciting digital content and take up roles or work freelance in the UK's evolving creative industries.

What else do I need to know?

Funded by the UK Prosperity Fund, this course is aimed at adult learners aged 19+ already working in the sector and is FREE of charge to learners.
